FAQ

1.How can we guarantee quality?

Always a pre-production sample before mass production; Always final Inspection before shipment;

2.How can we avoid delay?

On-time delivery is very important for our business; once we promise the time, we would do it; if we fail we would take responsibility.

3.Why should you buy from us not from other suppliers?

Our team have 11 years experience, selling to 40 countries;we are very experienced in international business;we know suitable price and on-time delivery are the two key points; we supply good service rather than only products.
