Description:

1.Style: Flame Retardant Overall (Flame Retardant Overall,Overall). We also can do your own style. If you have, welcome to send us to make counter sample.

2. Price is the most concerning problem of every customer. If you want to know the price, you need to know the following parameter: style of the clothes, accessories of garments, printing method, embroidery, pattern, fabric of garments, quantity of garments, date of delivery etc .These are the main factors to decide the price. The more you order the lower price you will get!

3. If you have your own design, we will according to you design to make. If you don't have the design, you can tell us your requirement, we can offer you some sample clothes to check. Or you can design your own sample.

4. Quality is priority.Our factory has 15 QC who strictly control the jacket's quality of every link in the production line that ensure the high quality of jacket, we will wear and wash samples in case of shrinking or shading.

5. All hems folded down to prevent sparks and welding bi-products getting in

Adjustable cuffs and waist enable climate control.
